Description (revised)

Item Specifics - Wristwatches

Brand: **Omega**

Gender: **Men's**

Features: **Chronograph**

Age: **1940-1969**

Condition: --

You are bidding on an extremely rare one-owner Omega Speedmaster (manual) 3-register, cal 321, 17-jewel chronograph wristwatch c.1960, #177615XX. This impressive "pre-moon" wristwatch is "minty" and could be very close to "mint". This is one of the finest early Speedmaster's that I have ever seen and I am sure that even the most discriminating buyer will agree with my description once he sees this watch. Its black dial is exceptional. The hands do have some very mild "age" discoloration. The crystal is excellent exhibiting only one tiny scratch between 11 & 12 o'clock. The case is flawless. The rose movement is "factory fresh". The screw heads have only the "faintest" of factory assembly marks if any. It measures 39.6-mm across and 47.8-mm from lug tip to lug tip. It runs strong and all the pushers function as they should. The fly-back returns to top dead center. What you see is exactly what you will receive if you win this auction. It is being offered as described and as pictured. (J) I'll let the pictures tell the rest of the story. As additional visual descriptions, they take precedence over any and all of the written descriptions. They are very clear and should leave no doubt as to the condition of this watch. In most cases you are the expert also, so please judge these pictures for yourself. If I have erred in the description at all, it was purely unintentional.

Please study these pictures closely and bid on what you see and know. If you would like additional pictures of this watch I will gladly e-mail them to you. If you are not familiar with watch terms such as hairlines, brassing, double sunk, lever set etc. please ask any and all questions before you bid. I have tried to describe this watch as accurately as possible and if I have omitted anything, it was purely unintentional. I do guarantee the description of the watch however; due to the age of the watch (in some cases more than 100 years old) it is being sold "As Is". I strongly suggest that all shipments be insured, especially the more expensive watches because I cannot be held responsible for any damage or loss done by The Post office or any other shipper. If you have any questions, I will gladly answer them by e-mail. Buyers paying by Pay Pal, I will ship your watch the same or very next business day upon notification from Pay Pal. I ship all watches within the continental USA by Priority Mail, which adds \$6.00 plus insurance fees to the price of the watch. I will also ship "overnight" for an additional fee. **I DO NOT ACCEPT BANK TRANSFERS. Items paid for by Pay Pal will be shipped the same or very next business day. I also gladly accept money orders. Personal checks must clear before shipping. Note: I do not ship to Malaysia or Indonesia.**

I Must receive payment within 7 days of close of auction. Please check my auctions weekly for new watches. Thanks for looking and good luck bidding!! <h2> Note to my European customers: I do ship to Europe on a daily basis by Global Priority Mail at a cost of \$12.00 (there is NO tracking number with this service) however the safest way to ship to Europe and Asia is by Global Express Mail (3-4 days) which cost \$28.00. Global Express Mail does have a tracking number and insurance is included (I highly recommend shipping by Global Express Mail).

Please note: Bidders with no feedback or multiple negative feedback MUST contact seller before bidding to discuss their method of payment, etc. Seller reserves the right to cancel all bids when this procedure is not adhered too. Regular customers please disregard this notice.

International buyers must pay by Pay Pal or a Cashier's check drawn on a U.S. bank.
