This is your chance to become the proud owner of the extreme rare -like new- Omega Speedmaster Lemania 5100 cal.

1045. Ref. ST3760822.

This is the ONLY ever produced automatic first model Speemaster. In 1987 only 1200 pieces were produced worldwide and that makes this beauty the most sought after of all Omega speedmasters. Look at the pictures and you will see that the watch looks like new. only minor scratches are there because of normal wear.

The watch comes with its original box and a one year full warranty. I ship worldwide (registered non insured for Euro 25,00) and you can pay by bank or by using paypal at actual costs.

If you have any questions whatsoever please ask, I will be happy to answer them. I am a watch collector and watch enthusiast. This watch has to go for private reasons, with pain in my hart.
